ARRC Editor Chatter

Welcome to the November/December Pacer. I apologize for the lateness of this issue. The Run the Mounds Race with other assorted projects has delayed my work on this issue. The Heat and Humidity have given way to much cooler temperatures. Looks like we are skipping fall and heading for winter. Be prepared in your training and don't let the cold stop you!!

The **Thursday Night Points** races are now completed. Many thanks to all of the competitors for a fun summer of racing and monthly cookouts. Lots of great food and desserts. Please review the results on the website to verify that you are credited with all of the races you competed in. We will take these results to determine age group awards for the season and some of the special awards.

The 2018 ARRC Road Series has one races scheduled for November and one in December.

The next race in the Road Series is the ARRC Thanksgiving morning (11/22) race. Two laps for the runners and one lap for the walkers.

The Kris Kringle 4Mi Run and 3Mi Walk races are December 2nd.

Run the Mounds Shirts and Sweatshirts

Jill Marstall is trying to put together a complete collection of all of the shirts and sweatshirts for all of the Run the Mounds races. She is looking for race apparel from all of the 80's years, I will provide the sweatshirts for 1996, 1999 and 2001. Thanks to tom Corda for his many donations. So check your closets and see what you might have and be willing to part with from the 80's. Please contact her if you would like to contribute Run the Mounds Apparel from those years. The Display at this year's Run the Mounds was impressive and memory generating. Definitely fun to see the many designs over the years.

2018 Run the Mounds

Thanks to all of the race Sponsors, Volunteers and race participants for making this year's Run the Mounds very successful. A special thank you to Paige and Mike Truman for cleaning the trails just before race time. The river flooding the river trail provided for a last minute course change. We did not want to chew up the river trail. I tried to come up with similar distance for the 5K and 5Mile course without completely starting over with the race the next day. The 5K course change made it about a 3.3 mile and the five mile was either short, long or almost dead on depending upon your choice of measuring device. Thanks to the last minute volunteers who steered the competitors the right direction with a lot of two way traffic in parts of the course.

This year's races had 248 finishers compared with last year's 217. While we had many familiar faces, there were many new faces competing in the races for the first time. The Facebook advertisement attracted a lot of the competitors. Next year's race is scheduled for Sunday Nov. 3rd. Hope to see you all out there again.

Special thanks to Prairie Farms for the Chocolate Milk and Chris Fadely for use of his Polaris Ranger. Checking on the course, moving people around and getting supplies around Mounds would be very difficult without it.

There are still a number of this year's shirts and crew neck sweatshirts available. Contact Greg Smith to obtain.
