## ARRC Editor Chatter

---

---

Welcome to the July/August Pacer. I hope that you are all continuing to be well and safe! We are continuing to monitor status and events. Finding a training spot while encountering few other people has become a premium. Membership and fees for this year will also apply through the end of 2021. So what you have signed up for in 2020 is good through 2021.

The start of the **2020 Thursday Night** races will be July 9<sup>th</sup> at the 5:30P for Walkers and 6:00P for the Runners maintaining social distancing before and after the races. We will record times after the races if you choose but are not doing points or age group awards this season. This was decided to keep participants from racing even if they weren't feeling well. So this is more of a self-competitive racing year. If you are uncomfortable with the gathering, a log book has been placed at the rear entrance to the activity center where you can record your lap time that you can do on your own any time during the week.

The Thursday Night Races will be conducted from July 9<sup>th</sup> through October 8<sup>th</sup> for a fourteen week series.

You can sign up online at the following link:

**The 2020 ARRC Road Series** has been discontinued due to the number of cancelled races. The White River Run scheduled for June sixth is postponing to September 5<sup>th</sup>. Chesterfield July 4<sup>th</sup> race is cancelled as is the Yorktown Four on the Fourth race.

All dates on that list are tentative and some based on last year's dates. Will verify dates as possible.

## Shadyside Mile Marker Sign Posts

---

---

We are waiting to see if new mile marker posts can be installed. Many of the old marker posts have served their purpose and seen better days. Chuck Bennett has the new mile marker signs complete and this is turning out to be a great collaboration with the City. They look great,  
Thank you Chuck

## President's Message

---

---

The Anderson Parks Department has installed the bench to be dedicated to Edna West. We are looking forward to dedicating the bench on Thursday **July 23, 2020** after the races are complete. Please join us and Edna's Family in paying our respects to a great running Lady. We want to keep people safe and give Edna the respect she so deeply deserves. Please observe social distancing.

## 2020 White River Run

---

---

This coming year's ARRC White river run will be held on Saturday September 5th in conjunction with the Anderson On Tap festivities at the Anderson Town Center. The race is being postponed due to the current pandemic. Anderson On Tap has also moved to the same September 5th date. The races will still be the 5K run and Walk and the 10K Run. We are partnering with On Tap to create a full day of activities similar when the race partnered with the Little 500 celebration and car show.

If you haven't had a chance to explore the trail system from the Eisenhower and Blue Bridge area, you should make the time. With the renovations complete all around the Eisenhower Bridge, the freshly power washed wood boardwalk and newly paved trails with landscaping you will enjoy it's stunning appearance. It is beautiful. This is one of the reasons we chose to move the start/finish area of the race. It really showcases that area of the White River and how fortunate we are to have a revitalized trail system along a treasured natural resource.

There will be new courses for both the 5K and 10K races. Parking will be available at the Work One parking lot near the Blue Bridge. Packet pickup will be by the Blue Bridge for bibs and shirts. Participants can then walk to the start line near the 10th street parking area. 10K run will start at 9:00A, followed by 5K runners at 9:20A and 5K walkers at 9:25A. Finish line will be near the Blue Bridge.

Mark your calendars for the September 5th date and more information will be forthcoming. Register early to get your name on the bib. Online signup at the following link:

## ARRC 2020 Road Series

---

---

The Road Series has been discontinued due to the pandemic and race cancellations. We will start up again in 2021. You can still support the races on the schedule starting with the White River Run on September 5<sup>th</sup>.

The races from Red Gold to Kris Kringle are good dates. They are still subject to change at any moment. Please be patient as we want to get back to racing as much as you.

**Be sure to see Doug Rose after the races to report your time or text him!**
