Welcome to the November/December Pacer. Sorry for the lateness in publishing, but Run the Mounds has been all consuming again. Had a beautiful day for the race and 383 complete the races. Good that it was last Sunday and not with this Sunday's snow and rain!!

The **2021 Thursday Night Points** races are complete and in the book. Thank You to all of those whom competed and those that cheered their favorites on. Will be working on the Age Group awards for the Awards banquet Feb. 5th.

2021 Run the Mounds Sunday November 7th

My Deepest Thanks to all of our Sponsors, Volunteers, Food Preparers and Mounds Staff for making the 40th Annual Run the Mounds a Success. It was a perfect weather day and 383 runners and walkers completed in the three races. The One mile fun run had forty participants. While not quite a sellout, it was close enough.

Many thanks to Mike and Paige Truman for cleaning the trails. Thanks to Tom, Donnie and Kevin for flagging the course. Thanks to Doug and Steve for spray chalking the roots rock and ground obstacles.

Next year the restrooms near the Woodland Shelter will not be winterized before the races. I understand that this was a major issue, but was caught off guard. For some reason several participants decided to park in one lane of the road near the pavilion and caused a traffic nightmare. This cannot happen next year. Will look for a couple of volunteers to police this for next year.

Mark your calendars for Sunday November 6th for the 41st Annual Run the Mounds If anyone has thoughts about this year's race I would like to hear them. I am always looking for ideas to improve the race.
