ARRC Thursday Night Point Races

Fifteen weeks of Thursday Night races are complete and times are in the books. There are five races left in September with the final Points Race Thursday September 30th. Make sure you get your races in. Nine races with membership will qualify you for an age group award.

Jimmy Johns after race party scheduled for Thursday September 16th. Bring a beverage of your choice or grab a bottled water and relax with Friends for a post-race meal and fellowship.

The first two Thursdays in October will still be conducted at Shadyside. One will be a backwards race. You don't really have to run or walk backwards. Just going around the opposite direction clockwise from the start/ finish line. The next Thursday would be the Prediction race. Predict your time for your lap run or walk. While we know participants can be fanatical about keeping track of steps and mileage, No watches, cell phones or timing devices for this one race.

For now, Walkers start at 5:30P and the Runners begin at 6:00P.

ARRC Roady Racers 2021

The awards banquet and drawing for the boys and girls bikes will be held on Friday September 10th at 6:00P at the Pavilion near the playground on Alexandria Pike. Please bring your own beverages. Pizza will be provided by ARRC. Child must be present to win a bike. Come celebrate the summer accomplishments.

2021 Run the Mounds Sunday November 7th

This year's 40th Annual Run the Mounds races will be held on Sunday November 7th. Will bring back the Kids one mile fun run and try to make a special day for the 40th. Hoping to have 420 total in all three of the races and will set that as the upper limit for participants. Race registration is open on Runsignup. Of course Mother Nature will provide an excellent weather day for the race.

We will be going back to chili for the post-race party. Please review the RTM food signup sheet and donate if you like. There are a number of different items to be donated if possible.

If you would like to volunteer to help before during or after the race please let me know. I am going through a number of medical procedures right now and frankly don't know how mobile or sturdy I am going to be for the pre-races, course prep, flagging and race day. I am hoping I will be healed enough after the current stuff, but my hip continues to prevent much walking.

Pre-races of the course will begin Thursday October 21st and continue on Thursday October 28th and November 6th. Races start in front of the Woodland Shelter. Chili or soup will be provided. Bring a side and favorite beverage for some post-race fellowship at the Woodland Shelter. Will start the course run and walk at 5:30P for each of the previews.
