The **2022 Thursday Night Points** races will begin on Thursday May 12th. Pre-season races will begin on April 7th. Sign up now and train for the season.

The **2022 Road Series** is being reviewed. There were only about six participants that participated in more than three races. Most of those three races were Club events. The Road Series was originally started to provide an avenue for members, not able to participate in the Thursday Night races, to join Club members at races on the weekend and support local races. With Club participation at such a low level, it may no longer make sense to offer this option. Make your thoughts on this subject known to the Board.

President's Message

To the Membership,

I have enjoyed serving as your President for the last 6 years, as well as Secretary before that. There were challenges and high points but getting to know all of you was the highlight for me. I have decided to hand the reigns over to allow more time to pursue my new videography business VisionAerial, LLC. I will be leaving the Club in good hands with Geoff Ginther, the current VP stepping up as your new President. He shares our Club mission to bring people with likeminded goals of pursuing a healthy lifestyle together, as well as making our community better. You will still see me around here and there walking or running on the sensational trails we have in Anderson. I look forward to seeing you out there!

Age Group finishers were treated to choice of pies and other gifts. Proceeds from this race will be donated to the Operation Love local charity.

ARRC 2022 Road Series

The 2022 Road Series option is up for review. The small number of participants in 2021 makes this series appear to be non-value. Let us know your thoughts of whether to keep or let go.

Be sure to see Doug Rose after the races to report your time or text him!
