## ARRC Editor Chatter

---

---

Welcome to the July/August Pacer. Not sure whether this Pacer will get out before the Holiday weekend. Been doing cataract surgeries and physical therapy for my hips. Been way more medical stuff than I have really wanted to deal with this summer again. Guess it goes with the territory surrounding my age.

The Thursday Night point's season has been rolling along with the heat. We will be at week eight when we return July 7<sup>th</sup>. Hopefully somehow the heat and humidity will somewhat cooperate to allow some great racing.

If you haven't already, you will need to renew your membership for the Club this year.

The **2022 Thursday Night Points** races are at week eight when we return July 7<sup>th</sup>.

The **Lapel Village Fair** is planning on having a 5K race on Saturday July 9<sup>th</sup>. Please check their website for details. This is to draw more runners and walkers to the Fair as the Cds Race used to. If you can show them some support.

## ARRC Thursday Night Point Races

---

---

The Thursday Night point's races are at week 8 as we return on July 7<sup>th</sup>. Been a bit hot and steamy so far. Welcome to the new members and High School Runners. Also welcome to the many walkers. We have cancelled one race due to heat. This means that a participant needs to have nine races to qualify for age group awards. Hoping the heat and humidity cooperate for the remainder of the season.

The next cookout is tentatively scheduled for July 21<sup>st</sup>. Club will furnish hot dogs and bring a side dish or desert to share. Excellent food at the last heat induced cookout. My compliments to all the participating chefs and grill master. Absolutely Delicious.

Please note, that with the Pickleball Courts finished, we will be sharing the facilities with those participants as we did with the sand volleyball players before. This may cause some parking congestion near our start times and some relocation of our monthly cookouts. No big deal but you may want to plan to arrive at the park a little earlier if possible.

## 2022 Rody Racers

---

---

### Rody Racers

The Rody Racer 2022 season will be April 19-July 19 for a 13 week program and Finale. July 19 will be the Season Finale award and pizza party. The first race was held on Tuesday April 26<sup>th</sup>. There were sixty plus children in attendance for this first race. Get the kids registered and bring them out for a fun evening of running and companionship.

There are three races left July 5<sup>th</sup>, 12<sup>th</sup> and 19<sup>th</sup> remaining on the docket. Please come out and cheer these children on. Hopefully becoming a future generation on Anderson Road Runners and Walkers.

Parents, if you feel your kids are up for the next challenge, sign them up for a FREE Student Road Runners Membership and we welcome them joining us on Thursday Night races.

Please sign your child up at Rody Racers Fun Run ([runsignup.com](https://runsignup.com)). There is no cost, our insurance requires a waiver to be signed and it streamlines assimilating information for the spreadsheets to record times. You can now sign your child up at [Rody Racers Fun Run \(runsignup.com\)](https://runsignup.com).

Each week a child attends still earns them 1 chance to win a bicycle. Each child has the possibility of earning 11 chances. There will be a signup sheet for individually wrapped snacks each week. Parents, please bring water bottles for your families. We are anticipating another outstanding year of families coming together and fostering a love of running for a healthy lifestyle with the children.
